

Design Camp Student Expectations and Guidelines **REQUIRED – ALL DAY CAMPERS**

The University of Arkansas Design Camp aims to provide a safe, positive learning and living environment for all students and staff. Achievement of this goal depends largely upon the students and staff establishing an understanding of the guidelines and expectations of the program, which will help parent/guardians and students to understand student responsibilities, goals, expectations, rules, academic regulations, and other important program information.

Student Participation & Responsibilities

Students are responsible for understanding all the information contained in the Student Expectations and Guidelines. Once these guidelines have been discussed and signed, students will be held accountable for understanding and abiding by them. **Students must attend and fully participate in all project-based activities**, including field trips, tours and educational presentations. It is each individual's responsibility to make the most of all the educational opportunities provided through Design Camp. Students who choose not to follow these guidelines will face consequences that may include permanent suspension from the program.

Attendance Policy

Students are required to attend all planned activities. Except in the case of an emergency, requests for absences must be made 24 hours in advance.

Transportation

Students must provide their own transportation to and from Design Camp. Students with a valid driver's license will be allowed to drive their own automobile to Design Camp with parental/guardian authorization for students under 18. Parents/guardians must complete and sign the **Personal Automobile Authorization** form to authorize their child to drive. Parking information and a map will be provided. Students who are authorized to bring an automobile to the program are required to purchase a University weeklong parking permit. The University of Arkansas is not responsible for students' vehicles or personal property. A vehicle registration form will be provided upon request and must be completed and taken to the Administrative Services Building on Razorback Road to purchase a permit. Students will be required to show a valid driver's license to obtain a summer permit.

Academic Field Trips

Students are expected to attend all scheduled field trips. Students will be notified in advance of any special attire that is required.

Illness/Accidents – Consent to Emergency Care

Students and parents/guardians (for those under 18) are required to complete the Emergency Medical Treatment Authorization form. This document will allow Design Camp staff to authorize medical care for a student in case of an emergency. **Design Camp insurance does NOT cover pre-existing illness or injuries or emergency room visits that are not accident-related.** Design Camp will arrange for accident and injury insurance coverage for all participants, but **the program insurance coverage applies only to injuries resulting from accidents occurring during programming.** All medical bills related to illness or other issues are the responsibility of the student and/or parent/guardian.

Student Illness/Injuries

Students should report illness and/or injuries to Design Camp staff immediately. If a student requests to be excused from daily activities due to illness, he/she must contact the program director.

Drug/Alcohol Policy

Possessing or being under the influence of ANY non-prescription drugs or alcohol or abuse of prescription drugs while at Design Camp is unacceptable and grounds for termination from the program. Suspicion alone can result in suspension from the program.

Academic Guidelines

Students are expected to:

- Be courteous and display respectful behavior toward faculty, staff, instructors, and other students.
- Attend all activities.
- Be on time.
- Be prepared.
- Display respectful behavior toward other students in classes in the building. (Running, talking loudly, or being disruptive while in the hall or workshops is not acceptable.)
- Assist in keeping the studios clean. Deposit trash upon exiting.
- Dress appropriately.

If you are eager to speak to your student, arrange a time for him/her to receive your call or call you. If you have trouble reaching your student by phone, please call **Theresa Parrish at 773-322-7164**.
